STATOTHR

Thank you for your recent letter and your expression of interest. General Donovan mentioned to me his talk and how pleased he was that some of the Corps spoke to him afterwards.

We are very interested in building up the career aspects of this Agency, and consequently are pleased to get advance notice of cases such as yours. I have passed your letter on to the appropriate office with the request that they get in touch with you for planning in the future.

If by any chance you come to Washington, I would be pleased if you would give me a call and perhaps the opportunity for a talk.

Very truly yours,

LAWRENCE R. HOUSTON  
General Counsel
